

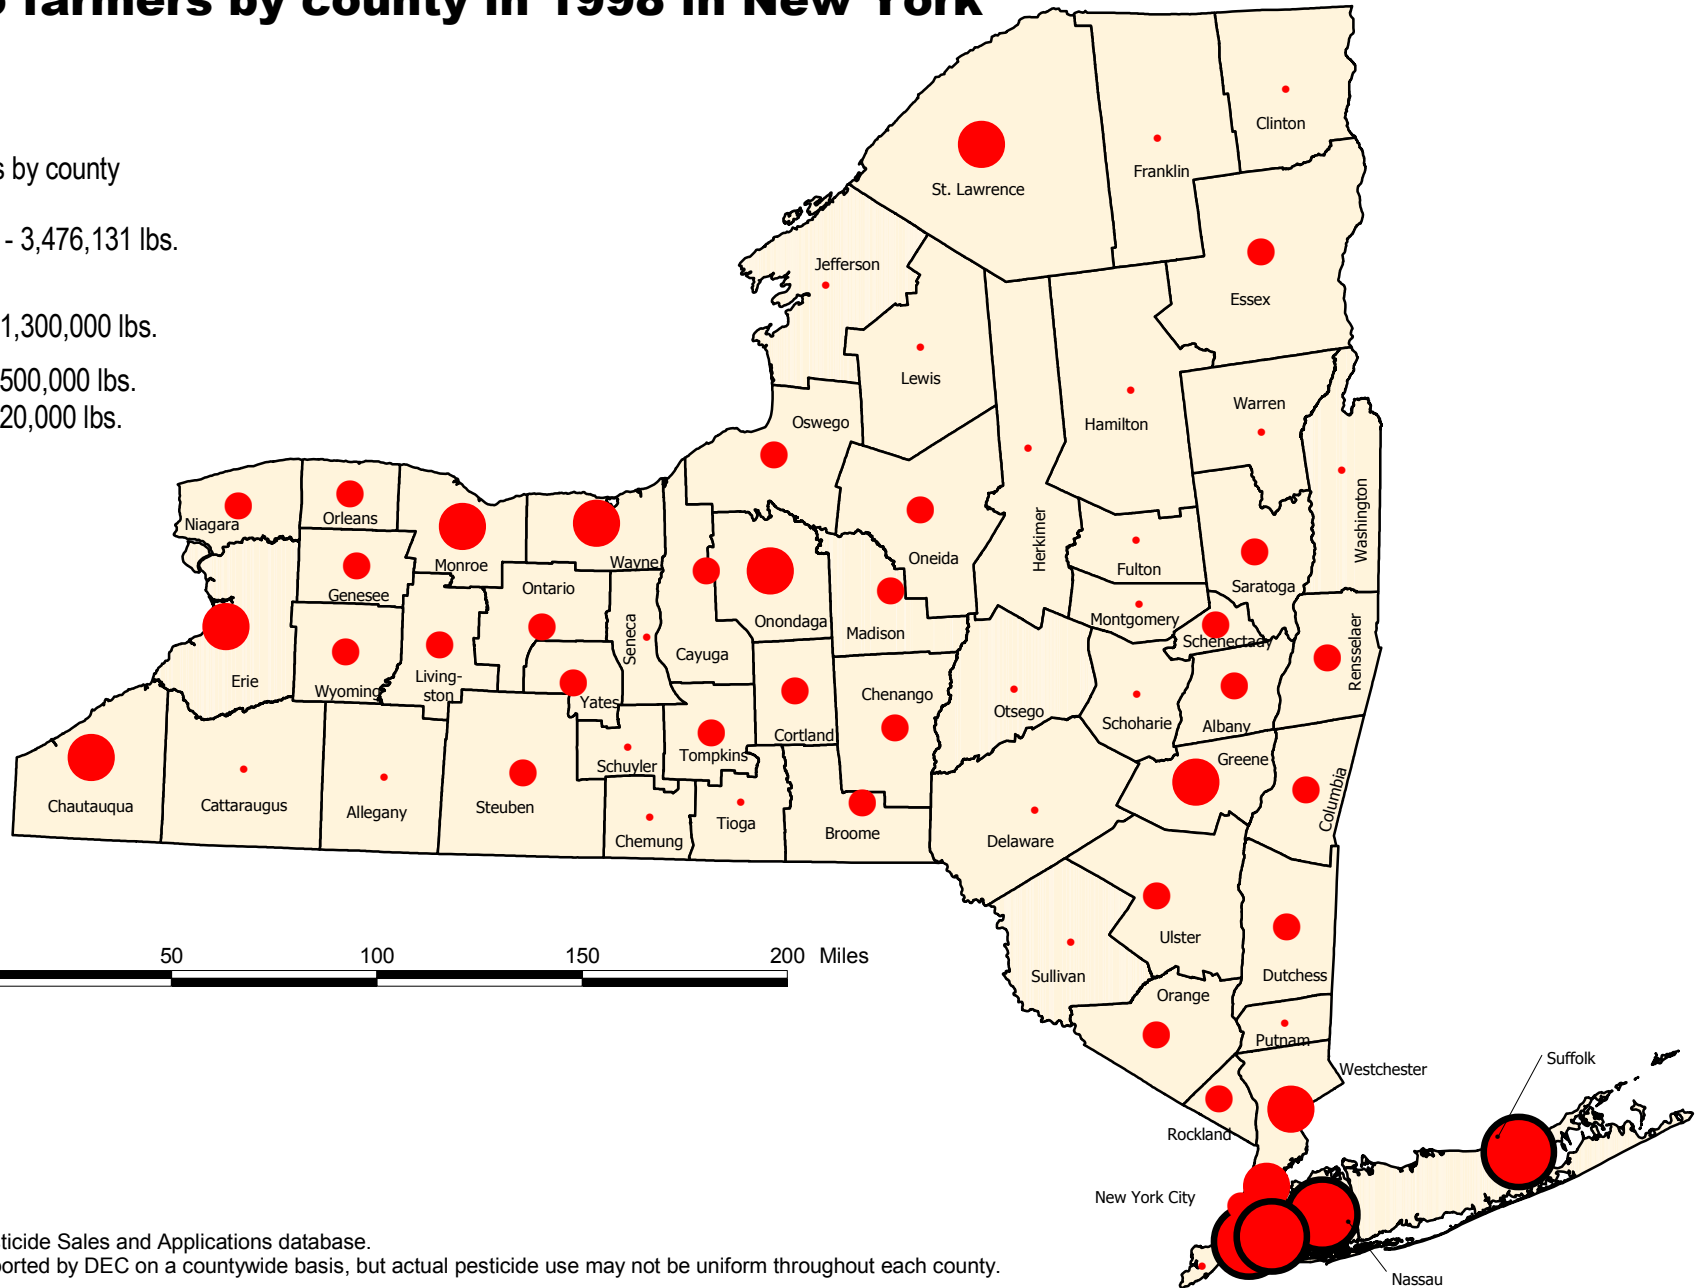

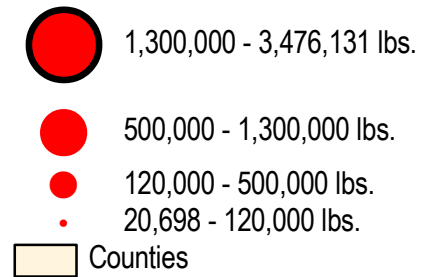

# Map 1

## Total pounds of pesticide products applied by commercial applicators and sold to farmers by county in 1998 in New York

Pounds of pesticides by county

Source: 1998 NYSDEC Pesticide Sales and Applications database.

Note: Pesticide data are reported by DEC on a countywide basis, but actual pesticide use may not be uniform throughout each county.

Map prepared by NYPIRG's Community Mapping Assistance Project (CMAP) using ArcView 3.2 provided by the Conservation Technology Support Program.
